RECIPROCITY DAY.

One of the happiest affairs of the year for members of the Tuesday Afternoon Club was the splendid observance on Tuesday of "Reciprocity Day" at the Glendale Country Club house. The artistic beauty of the rooms was further enhanced with graceful arrangements of yellow roses and California poppies. There were in attendance besides the many residents of Glendale and Tropic, representative club women from Pasadena, Hollywood, Eagle Rock, and Los Angeles.

Receiving ladies the first hour were the president, Mrs. Robert Morris, Mrs. James H. Wells and Mrs. A. L. Bryant; the second hour Mrs. Edgar W. Pack, Mrs. Charles Stanley and Mrs. David Imier.

Mrs. Robert Morris with dignified and open-hearted hospitality, gave an address of welcome that rang true, bringing to mind that holy fellowship is the chief purpose of women's clubs, that through reciprocity each can help the other. Giving Lamartine's thought, "There is a woman at the beginning of all great things," Mrs. Morris introduced the district president, Florence Collins Porter, as "one who delights in the pure joy of service and in doing the things worth doing."

Mrs. Porter, as usual, received an ovation and her address on "Federation" was so filled with Florence Collins Porter sentiments as to be heartily satisfying to the real club woman. At the close of her remarks she introduced Mrs. R. J. Waters, district vice president, who talked on "Our Bureau of Information," newly-established in Los Angeles.

The P. E. O. coterie, comprised of Mrs. George M. Moyle, Mrs. Frank Albright, Mrs. C. E. Russell, Mrs. Emma Burket, Miss Helen Best, Miss Charlotte Blaisdell, Miss Mary Blackburn, and Mrs. Josephine Bryant, rendered the "Rosary," by Niedlinger, with a sweet lullabye as an encore. Mrs. Pritchard, district chairman of civic department, talked on "Reciprocity," illustrating many of its advantages.

Mrs. Engelhoff Rundell identified in civic work, illuminated the necessity of a business knowledge of our State laws, which was more liable to prove of real benefit to the club women than of instance, natural history studies on the life of a toad or a clam!

Mrs. John Parker endorsed an instrumental number and graciously responded with an encore. Mrs. Luther A. Wood, president of the Philomath Club, delighted all with her bright talk on the "Ambitions of Club Women," her incisive, lucid sentences bringing to a sharp focus the elementary and fundamental idea of the true, ideal club woman, whose duties begin and end in the "home."

Mrs. Lou Chapin, long identified with club work gave an address which brought the program to a close. Mrs. Chapin advised the clubs to take up serious work, particularly along patriotic lines, not the patriotism which insists that we have all the good there is, but in that spirit which leads us to become familiar with the work of other countries than ours and to learn from them where we can. Endeavor to keep up the high standard which we have set. She called attention to the lukewarmness exhibited too generally in political affairs and urged women to take an intelligent interest in political subjects. Every man should know for whom and why he votes, and the wife should see to it that the husband performs his political duty, particularly upon primary

election day. The women's clubs are the most independent organizations or institutions in this country and they are capable of exerting a great influence. Their membership is 40,000 and they can be a great power for good free from any of the influences which hamper the independence of the pulpit and the press.

A social hour for "individual reciprocity" followed. At the tea tables which were laden with roses, prominent club women presided. First set, Mrs. J. C. Sherer, Mrs. Claude O. Pulliam; Mrs. F. L. Church, Mrs. J. C. Danford. Second set, Mrs. Mary Ogden Ryan, Mrs. Edgar Leavitt, Mrs. John Hawken and Mrs. C. F. Parker.

Among the guests including prominent Glendale residents, were representatives of the Ebell, Friday Morning, Los Angeles; Philomath, Hollywood; Saturday Afternoon Club, Monrovia; Shakespeare Club, Pasadena; Crescent Bay Club, Ocean Park; Twentieth Century Club, Eagle Rock; Thursday Afternoon Club, Tropic; Woman's Club, Covina; constituting as bright a gathering of well-known club workers as Glendale has ever enjoyed.

NOTABLE EVENT AT THE COUNTRY CLUB.

Surprise Party to L. C. Brand.

Already the spacious rooms of the Glendale Country Club are giving evidence of the fact that the quarters are too restricted to accommodate everybody on all occasions. Indeed, it was evident on Tuesday night last that the rooms are barely capable of accommodating the members of the club and their families, which goes to show that the membership of the club has grown to unexpected dimensions and that, as is the usual experience in Glendale, we can't build public structures which will not soon seem inadequate to the demands of our phenomenal growth. Anyhow the club house was very comfortably filled on the occasion referred to. The ladies of the auxiliary which has lately sprung into being as a very important adjunct of the club, learning from some reliable source that Mr. L. C. Brand, the president and patron of the club, was to have a birthday on Tuesday, planned to give him the surprise of his life. Lured into the club rooms by the idea that he was going to attend somebody else's party, he arrived about 8:30, and was greeted by a tremendous shower of fragrant roses, with which the guests had been provided for the specific purpose of fringing them at the guest of honor. The surprise was well planned and proved to be a perfect success, or else Mr. Brand has a fine genius for the part he played in simulation. The club rooms had been occupied during the afternoon by the ladies of the Tuesday Afternoon Club in the entertainment of fellow club members, and the ladies of the auxiliary had in the brief interval between the going and coming worked wonders in preparing for the evening's entertainment. Long tables filled the main rooms, plates being set for 150 persons and that number were distributed around the festive board with Mr. Brand at the head, facing an immense birthday cake, in which thirty or forty (or thereabouts) candles were set to be lighted by the guest of honor. The table was splendidly decorated, a bank of roses ran through the center, with bouquets at frequent intervals, flanked on either side by a varied and enticing array of edibles. Musicians played soft strains of familiar melodies and the lights cast a

pleasing glow over what was probably the largest company ever assembled in Glendale on a similar occasion. There was not a suggestion of in-harmony in the carrying out of the perfect plans of the ladies having the affair in charge, the program being carried out strictly as per schedule. After being seated the company joined heartily in a grand chorus of "For He's a Jolly Good Fellow." Mrs. Chas. E. Shattuck filled in, a very pleasing manner the position of toast mistress for the occasion, introducing Mr. Brand who responded appropriately expressing his gratification at the unexpected honor conferred by the presence of so many friends. He did not publish any extracts from the birthday page of the family Bible, but confessed that there were at least thirty-two candles in the birthday cake.

Toasts were called for and responded to as follows:

"Our Guests," Mrs. Daniel Campbell; "Our New Lady Members," Mrs. Menzo Williams; "Our New Members," the Gentlemen," Mrs. A. W. Collins, responded to by Mr. George T. Holman; "Our Valley," Mrs. Edgar W. Pack; "The Auxiliary," Mrs. E. F. Parker.

It would be impossible for a reporter to do justice to the graceful and appropriate speeches of the ladies, while equally difficult to convey any adequate idea of the wealth of imagery, grace of diction and inspiring eloquence of Mr. Holman, whose warm encomiums caused blushes to mantle the cheek of the guest of honor. After the bountiful repast had been disposed of the floors were cleared and dancing followed until the early morning hours. The ladies who planned and carried out so successfully this very pleasant affair, deserve all possible credit for the evening's pleasure afforded to the large party present. Mr. Brand, we understand, contemplates having another birthday in the near future.

PUBLIC RECEPTION.

A library reception and benefit will be given at "Canyon Crest," the home of Mr. and Mrs. James H. Wells, on Eagle Rock road, north of Third street, on Thursday, May 19th, from 4 to 6 and 8 to 10 o'clock. Mrs. Robert Morris, president of the Tuesday Afternoon Club, will be the guest of honor. This is one of a series of library benefits which have been given by ladies of the club and a cordial invitation is extended to the public to attend during the hours of receiving and leave a silver offering.

Mrs. Wells will be assisted by the other members of the public library board of trustees consisting of President Goode, Mrs. I. N. Witham, Dr. A. L. Bryant and Mrs. Blackburn and also Mrs. E. D. Goode and Mrs. F. S. Church of the traveling library board, and the following ladies representing different localities of Glendale: Mesdames Edgar N. Pack, D. Winston Hunt, Edgar Leavitt, Alexander Mitchell, Daniel Campbell, J. C. Sherer, Ezra Parker, E. S. Comstock, F. H. Vesper, Charles Stanley, Wilmet Parker, Miss Penn and Mrs. J. C. Danford, the librarian, who will answer any questions pertaining to library matters.

Mayor Patcher and President Goode of the library board will make brief addresses during the evening.

The proceeds will be used for the purchase of new books for the library, for while it is now a municipal institution receiving from taxation a small appropriation, it is desired by those interested to increase its capacity.

CITY TRUSTEES.

All members present. The following demands were referred to the finance committee:

Frank Woodbeck, bell tower \$ 1.75
Glendale Hdw. Co. 23.75
W. L. Nelson, Insp. St. Dept. 11.00

Demands 545 to 555, inclusive, previously referred to the finance committee, were reported favorably and warrants ordered drawn.

A communication was received and read from the civics committee of the Tuesday Afternoon Club requesting an ordinance enacted providing for safeguards against fire in public buildings in Glendale. Referred to ordinance and judiciary committee.

A communication was read from the Los Angeles county highway commission acknowledging receipt of copy of resolution passed by trustees at previous meeting.

A report was received from former City Attorney Baker on the petition of Mrs. M. L. Hackman for the withdrawal of Lot 85 of the Watts Subdivision from the corporate limits.

Report was received and with the original petition referred back to the petitioners. The clerk was instructed to issue a duplicate of warrant No. 520, drawn April 22d last, for the sum of \$39.90 in favor of Gustav Schwemer, said warrant having been lost.

An ordinance providing for licensing certain kinds of business and fixing the penalty for violation thereof, was taken up and passed to third reading.

An estimate of the cost of improving Brand Boulevard from Fifth street to the Southerly city limits, furnished by the city engineer, was received and filed. Trustee Cole offered a resolution adopting a map showing improvements to be made on Brand Boulevard from Fifth street to Southerly city limits, which was read and adopted. Trustee Grant offered Resolution of Intention to improve a portion of Brand boulevard, which was read and adopted.

City attorney was instructed to prepare a resolution ordering the work in on Seventh street. An estimate for the improvement of Louise street from Second street to Ninth street, furnished by the city engineer, was received and placed on file. Trustee Watson offered resolution adopting a map showing improvements on a portion of Louise street, which was accepted and adopted. Trustee Anderson offered a resolution declaring intention to improve Louise street from the South line of Second street to the North line of Ninth street, which was adopted. An ordinance fixing the compensation of certain city officials was taken up, read third time and passed. Trustee Watson offered a resolution ordering certain street work to be done on a portion of Cedar street, which was adopted.

Riverside will soon have an election to determine the question of whether hotels shall be "wet" or "dry."

That great reform organ, the Los Angeles Times, rejoicing over what it terms the triumph of the "regulars," says that the control of the state convention is not a matter of doubt, as one-half of the country delegates were appointed by the state committee.

Which helps us to see the force of Mr. Herrin's assertion, that "popular government is a farce."

Parkways

Our streets are rapidly being put into a condition which indicates to all who visit our city that we are possessed of the proper spirit of enterprise and are preparing for the place which we expect to occupy among the cities of Southern California. But the neglected parkways are here, as elsewhere, a perpetual eyesore. For this condition the non-resident property owner is mainly responsible, altho all resident owners do not keep them in a condition to reflect credit upon us.

We hope that the city trustees will see their way to pass an ordinance which will enable the city to take care of these neglected spaces between curb and sidewalk, charging the small amount necessary for the purpose up to the lot owners. A very small yearly tax based upon street frontage (area of feet in parkway) would suffice to keep these spaces clear of weeds and the result would be a transformation in the appearance of many of our streets.

Mrs. Chapin and Political Responsibility

The address of Mrs. Lou V. Chapin at the reciprocity meeting of Tuesday Afternoon Club the other day in Glendale, was full of bright and practical ideas in regard to woman's work in the world. Nothing that she said was of more value as food for thought, to be crystallized into action sometime, we hope, than her reference to the possibilities of woman's work along political lines. If the ladies who are interested in obtaining for their sex "equal rights" would act upon Mrs. Chapin's suggestion and use the influence which they undoubtedly possess to influence men and assist them to intelligently perform the political duty which devolves upon them, we believe they would accomplish all the political reforms which they fondly hope to bring when they become possessed of the "right" to vote.

What the talented woman had to say in regard to the duty of citizens

in the matter of looking after primary elections is particularly applicable at the present time, when we have so recently had an object lesson on that subject. The late primary election, as far as the Republican party is concerned, was in effect, if not ostensibly, to determine whether the regular organization which has for years controlled the party and the state to the detriment of both, should continue in power. We have no exact figures at hand, but it is conservative to say that less than twenty-five per cent. of the voters of the party took part in the election. On the day of the general election in November the voters will turn out in mass to vote their party ticket, after having failed to do their duty in the initial contest where the lines of divergence are really drawn. Of the small percentage who did vote at the primary, it is safe to assume that not one-half of them understood the question at issue. Many were comparatively newcomers to our state, unfamiliar with our political history; others were young voters influenced in their decision by matters remote from principle.

This is the condition to which Mrs. Chapin alludes and which she very rightly believes could be remedied to a great extent by the intelligent participation of woman in our political affairs.

It is undoubtedly true that there are many women who are better qualified to vote than some men upon whom devolves that duty. It is not a sufficient excuse for such women to make that they "are not entitled to vote, so it doesn't matter;" on the contrary, it matters greatly. If a woman feels that her husband is not qualified to perform his political duty, she could be engaged in no more laudable work than in exerting herself to educate him up to the proper standard. Most men do not vote wrongly because they wish to do so, but because they do not know better. In many instances their wives have opportunities for acquiring political and other knowledge superior to that of their husbands, the latter in many cases not having the time to read the daily papers and in other ways keep themselves posted. Voting is a mere detail of political duty, and no citizen of either sex should shirk responsibility in the matter. The most of the votes cast are undoubtedly put into the ballot box more as a matter of form than because of any real desire to vote rightly, arrived at after a proper effort to understand the questions at issue.

The Triumphs of Science

Dr. Walter Lindley of Los Angeles read recently at the National Conference on Charities and Correction at Richmond, Va., a most interesting paper on "The Nation's Outlook for Health," which is a valuable contribution to the literature of that subject.

For our readers who may not have seen a full report, we take a few extracts:

The Bubonic Plague. This disease appeared in India in 1896 with 1704 deaths resulting. The plague increased until in 1906 it had carried off more than four million human beings. This is the same disease which found lodgement in San Francisco and which, being combatted with scientific weapons and methods, was restricted in its fatalities to less than one hundred deaths and finally eradicated. The rat was the principal factor in the spread of this disease and so war was made upon the rat.

In 1890 there were 9410 deaths from

cancer in the United States, and in 1900, 17,296 fatal cases. Recent investigations show that this is an infectious disease, being carried by both dust and water. While frequently curable in its early stages, there has as yet been no specific discovered; but as its nature and cause are becoming known, there is hope that science will yet master this terrible malady.

Cerebro Spinal Meningitis is alluded to as "the most hopeless, deadliest and terrible disease;" but of this it is said that the use of an anti-serum made by Dr. Simon Flexner, working in the Rockefeller Institute, has to its credit the cure of 95 out of 130 cases.

Of that common and dread disease tuberculosis, the deaths per 100,000 of population have been reduced in ten years from 245 to 191 in the United States. In England and Wales the death rate from this disease in 1838 was 399 per 100,000 of population, which was reduced in 1906 to 115. The discovery of tuberculin by Koch in 1890 has not accomplished all that the discoverer fondly hoped, but with modifications is being used in the treatment of tuberculosis by many physicians with considerable success, altho the best results are being accomplished by the open-air treatment

and a recognition of the contagious nature of the disease and the exercise of common sense precautions.

The doctor dwells at considerable length and with earnest emphasis upon the danger to human kind of a close association with common household pets, dogs and cats, both of which are susceptible to many diseases, the germs of which are readily transferred to their human friends. Of the two pets the cat is the most to be feared—ringworm and diphtheria in particular being disseminated by this old-time associate of the family.

The common house fly and the mosquito are duly credited with their share in disseminating the miseries of the human race.

Bier's hyperamia as a cure for rheumatism, a method of immersion, elastic bandages on the affected joints and the use of suction cups, is spoken of as working wonders.

Vaccine therapy is another triumph of medical science. It is a culmination of the discoveries of Jenner, Pasteur and others as affecting smallpox and other pus-forming diseases.

Dr. Lindley is an enthusiast upon the subject of our national forest reserves as places where those afflicted with disease may resort to and regain health.

RESOLUTION NO. 144

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE ORDERING CERTAIN STREET WORK TO BE DONE ON FOURTH STREET.

The Board of Trustees of the City of Glendale do resolve as follows:

Section 1. That the street work herein described is required by the public interest and convenience, and the Board of Trustees of the City of Glendale, State of California, hereby orders the same to be done according to the specifications and Plans adopted for said work, and under the direction and to the satisfaction of the Superintendent of Streets of said City, to-wit:

First. That that portion of Fourth street in said city from the Easterly line of Central avenue to the Westerly line of Brand Boulevard, which Westerly line is a line drawn across Fourth street from the Southwest corner of Lot A of the Glendale Boulevard Tract as the same is recorded in the Records of Los Angeles County, California, Map Book 5, page 167, to the Northeast corner of Lot 1 of the C. F. Compton Tract, as recorded in the Records of Los Angeles County, California, Map Book 6, page 168, including all intersections of streets (excepting such portions of said streets and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon), be graded and oiled in accordance with the plans and profiles in the office of the City Engineer, and specifications for the grading, oiling and tamping streets in the City of Glendale on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 2.

Second. That a cement curb be constructed along both sides of the roadway of said Fourth street from the Easterly curb line of Central avenue, which curb line shall be sixteen (16) feet Westerly of the Easterly line of Central avenue, to the Westerly curb line of Brand Boulevard fifteen (15) feet Easterly of the Westerly line of Brand Boulevard, said Westerly line of Brand Boulevard being a line drawn across Fourth street from the Southwest corner of Lot A of the Glendale Boulevard Tract as recorded in the Records of Los Angeles County, California, Map Book 5, page 167, to the Northeast corner of Lot 1 of the C. F. Compton Tract, as recorded in the Records of Los Angeles County, California, Map Book 6, page 168, (excepting along such portions of the lines of said roadway upon which a cement curb has already been constructed to the official grade and line) in accordance with specifications for the construction of cement curbs on file in

the office of the City Clerk of the City of Glendale, said specifications being numbered 2.

Third. That a cement sidewalk five (5) feet in width be constructed along each side of said Fourth street from the Easterly curb line of Central avenue, which curb line shall be sixteen (16) feet Westerly of said Easterly side of Central avenue, to the Westerly curb line of Brand Boulevard fifteen (15) feet Easterly of the Westerly line of Brand Boulevard, said Westerly line of Brand Boulevard being a line drawn across Fourth street from the Southwest corner of Lot A of the Glendale Boulevard Tract, as recorded in the Records of Los Angeles County, California, Map Book 5, page 167, to the Northeast corner of Lot 1 of the C. F. Compton Tract, as recorded in the Records of Los Angeles County, California, Map Book 6, page 168, (excepting along the Northerly line of said Fourth street where a cement sidewalk four (4) feet in width has already been constructed to the official grade, and to a line two and three tenths (2.3) feet from the property line) said sidewalk to be constructed according to specifications for the construction of cement sidewalks on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 1.

Sec. 2. That the Board of Trustees of the City of Glendale finds upon estimates directed to be furnished and furnished by the City Engineer, that the total cost of said improvements will be greater than fifty cents per front foot along each side of said street, including the cost of intersections, and it is hereby determined in pursuance of an Act of the Legislature of the State of California, approved February 27, 1893, as amended by an Act of the Legislature of the State of California, amending said last-named Act, which amended Act became a law March 2, 1899, that bonds shall be issued to represent the cost of said improvements; said bonds shall be serial, extending over a period of ten years and an even proportion of the principal sum of such bonds shall be payable annually by coupon, on the second day of January of each year after their date, until the whole are paid and said bonds shall bear interest at the rate of seven (7) per cent. per annum on all sums unpaid; payable semi-annually by coupons, on the second day of January and July of each year.

Section 3. The Glendale News, a weekly newspaper of general circulation, published and circulated in said City of Glendale, is hereby designated as the newspaper in which this Resolution and notice of said street work inviting sealed proposals shall be

published in the manner and form and by the persons required by law.

Section 4. The City Clerk of the City of Glendale is hereby directed to post conspicuously for five days on or near the Chamber door of the Board of Trustees, in the manner and form required by law, a notice with Specifications, inviting sealed proposals or bids for doing said work; and said City Clerk is hereby directed to publish for two days in said newspaper hereby designated for that purpose, as aforesaid, in the manner and in the form required by law, a notice of said work inviting sealed proposals or bids for doing said work and referring to the Specifications posted and on file.

Said notice shall require a certified check or bond, either, as prescribed by law, and for an amount not less than ten per cent. of the aggregate of the proposal. Said City Clerk is also hereby directed to publish this Resolution for two days, in the manner required by law, in said newspaper designated for that purpose, as aforesaid.

Adopted and approved this 6th day of May, 1908.

THE ORIGIN OF LIFE.

(Concluded from last week)

Kant, the great German philosopher, said of such men as Haeckel living in his day: "They are anxious to have a grand philosophy, but the desirable thing is that it should also be a sound one." The worst feature of Haeckel's method is, however, the calm, unsupported assertion of purely imaginary processes. He says boldly that they are; not that they may be, which is all he can truthfully say. In reference to this Sir Oliver Lodge says:

"His view is that life has arisen from inorganic matter without antecedent life. The experimental facts of biogenesis he discards in favor of a hypothetical and at present undiscovered kind of spontaneous generation. He assumes that the chemico-physical properties of carbon confer so peculiar a power on its albuminoid compounds that they develop into living protoplasm. He says he formulated this view thirty-three years ago, and that no better theory has arisen to replace it, while to reject some form of spontaneous generation is to admit a miracle. Thus,

then, in order to explain life and mind and consciousness by means of matter, all that is done is to assume that matter possesses these unexplained attributes. * * * This, as it stands, is not science, and its formulation gives no sort of conception of what life and will and consciousness really are. Even if it were true, it contains nothing whatever in the nature of explanation; it recognizes the inexplicable and relegates it to the atoms, where it seems to hope that further quest may cease. Instead of tackling the difficulty where it actually occurs; instead of associating life, will and consciousness with the organisms in which they are actually in experience found, these ideas are foisted into the atoms of matter, and then the properties which have been conferred on the atoms are denied, in all essential reality, to the fully developed organisms which those atoms help to compose!"

Someone is said to have asked Thomas Carlyle this question: "If I could stretch out my hand and touch that beautiful star, up in the sky, you would call that a miracle, would you not?" And Carlyle is said to have replied: "No need to touch the star; that you can stretch out your hand at all is miracle enough!"

And so it is; there are miracles all round us every moment of our lives. We can no more explain the fact of consciousness than we can explain the origin of life. These are mysteries which transcend all human investigation; perhaps they always will. Truly scientific minds humbly recognize and acknowledge their limitations, but the arrogant theorist feels it necessary and possible to submit everything under the sun to the test of his yard-stick and weighing machine; and any fact of life or nature which he cannot measure or weigh he pretends to ignore. It is not necessary for us to have a cut and dried explanation of everything at the present moment, and in the absence of real knowledge the truly scientific attitude is agnostic. There are, however, a large number of enlightened philosophers and scientists who join with the common people in the belief that life is something entirely different from any other form of energy with which we are acquainted, and in its essence independent of material conditions. This belief carries with it the conviction that the barrier between life and inanimate matter, which proves such a stumbling-block to materialists, offers a promise and potency of life on a higher plane and in another universe. In such a view it may not be unscientific to imagine life as having originated when

Miss Sarah McLean will entertain the Sophomores and then some more on Saturday evening at her home on Mary street. She will be assisted by her mother and a number of her High School pupils.

Mr. Charles E. Warner, well known to Glendale audiences, will appear as a reader. Mr. Charlie Daole, who leaves the first of June for a course of musical study in Italy, will sing from "Il Travatore."

Mrs. William McMullen is to give a vocal solo, and a good number will be a violin selection by Master Shirley Wineberg of Hollywood. Miss Whittaker will furnish some especially fine instrumental numbers.

Mrs. C. F. Parker leaves Sunday morning for San Bernardino where as the guest of her daughter, Mrs. Dr. Lyman, she will enjoy the Arrowhead Festival in progress there. Mr. Parker expects to go Wednesday.

On Thursday afternoon in the Sunday school room of the Methodist church was held the regular meeting of the Foreign Missionary Society. Topics were "Social Progress" and "Geographical Expeditions." Mrs. Hendershot was leader.

Miss Grace Anderson of Sixth street, who has been attending a college of stenography and typewriting,

and has had many interruptions because of illness, is rejoicing over the fact of having at last completed the course and receiving her diploma.

"Salad Suggestions" and "A Demonstration in Making Non-Yeast, Non-Chemical Puffs" will be the subjects of the cooking lesson at the residence of Mrs. Fitch on Thursday, May 21st, at 3 p. m., 227 Jackson street. Samples served. No tuition charges. Everybody invited.

Major W. C. Furrey, who is the owner of the fenced in lots on Third street just west of Glendale avenue, visited Glendale Wednesday last. Major Furrey is one of the old time business men of Los Angeles; like all who are acquainted with our city he predicts for us a great future.

At the Baptist church Sunday at 11 a. m. the pastor's subject will be "Our Guide." Chorister Marple will sing "My Ain Countrie," the music is composed by Prof. Howard Dow of Glendale. At 7:30 p. m. the subject will be "Princes in All the Earth." The Locke quartet will sing.

Announcements have been received of the marriage a few days ago, of Mrs. Carrie A. Sawyers, who will be remembered as the popular manager of the Hotel Glendale, at Third and Glendale avenue, until about a year ago. As Mrs. Daniel Voorhies Owens she will be at home to her friends at 922 Potter Park avenue, Los Angeles, hereafter.

The P. E. O.'s entertained about forty ladies of Chapter F of Pasadena and the ladies comprising the State board, with a dainty luncheon at the home of Mrs. Albright. The living room was decorated in the Sisterhood flower, the marguerite, while red roses ornamented the dining room. The afternoon was devoted to games. Mrs. Eastman of Pasadena was the prize winner.

Mesdames Palmer, Gaylord, Tarling and Mrs. Elias Ayers have been appointed delegates to attend the State convention of the W. C. T. U. meeting at Santa Ana next week. Miss Hazel Everett will be delegate from the "Y's," at the same time and place and will be one of the contestants for the gold medal to be awarded on that occasion. The "Y's" will meet at the home of Mrs. Elias Ayers next Monday evening.

Mrs. Richard Dell Lamson, formerly of Glendale, visited relatives and friends here Tuesday and Wednesday. Mrs. Lamson came to Los Angeles from Corona as a delegate to the Woman's Auxiliary of the Diocese of Los Angeles, holding the twelfth annual convention this past week in the parish house of St. Paul's pro-cathedral.

While in the city Mrs. Lamson was the house guest of Mrs. Philip G. Hubert, who presided and was elected president for the coming year.

The Overton Realty Co. report the sale of two lots belonging to Martin Pupka, of Burbank, at Fifth and Kenwood streets, to Mrs. Mont. Porter, price \$1100. Mrs. Porter after a brief visit to the East expects to return to Glendale and build a home.

The same firm has also made a sale of a modern five-room residence on Moore avenue, Tropic, to Mrs. Kate Moore of Mt. Upton, N. Y. Mrs. Upton has been visiting Mr. Guernsey and family at Tropic recently and buys for investment.

The Board of Trustees of the Young People's Christian association, consisting of the following gentlemen, J. C. Lennox, F. H. Wilde, A. K. Crawford, M. P. Harrison, H. H. Martin, T. W. Watson, Edgar W. Pack and E. B. Riggs, will meet for organization, etc., in the M. E. church on Monday evening next.

The full board is requested to be present as this is the initial meeting and there will be lots of work to be done to get the association started in the right way.

The ladies of St. Mark's Guild met on Friday of last week at the residence of Mrs. D. W. Hunt and held the annual election of officers, resulting as follows: President, Mrs. A. McIntyre; vice president, Mrs. D. W. Hunt; secretary, Mrs. C. P. McCann; treasurer, Mrs. H. Ward. The following delegates were chosen to represent the guild at the Diocesan con-

vention held in Los Angeles this week: Mrs. McCann, Mrs. Flewelling and Mrs. Scamman. As delegates to the same convention the congregation was represented by Messrs. A. McIntyre, Jno. Addison, Dr. D. W. Hunt, W. H. Ward and Mr. Middleton.

A special train left the Arcade depot, Los Angeles, last Sunday evening for Sacramento carrying delegates to the Grand Lodge, I. O. O. F., which convened Friday the 11th inst. Dr. R. E. Chase represents Glendale at this convention as delegate from Glendale Lodge No. 388, I. O. O. F., and Mrs. Alice C. Woodberry as delegate from Carnation Rebekah Lodge No. 157. The doctor is accompanied by Mrs. Chase, and after the Grand Lodge sessions are over the Glendale contingent expects to visit in San Francisco and vicinity, returning about the 22d inst.

P. E. O. RECEPTION.

On Saturday from eleven to four o'clock, Chapter L. P. E. O., entertained State officers and members of Chapter F, of Pasadena, in the attractive home of a prominent P. E. O., Mrs. Frank E. Albright, Orange street.

The home was bright with sunshine and white and yellow marguerites, expressing the P. E. O. colors. Mrs. Albright, Mrs. C. E. Russell and Miss Helen Best received for the Chapter, and thirty-six sisters were welcomed.

A banquet followed the early receiving hour and this was in charge of Mrs. Josephine Bryant as chairman, Mrs. Emma Purket, Mrs. Josephine Birket, and Mrs. Minnie Smith. A bank of rich red roses down the center of the table had a centerpiece of graceful five-fingered fern.

During the hour of special entertainment, directed by Miss Helen Best, Mrs. Bryant sang by request "Where Did You Come From, Baby Dear?" A number of great amusement was an original P. E. O. poem by the chairman, for which there was a contest in completing the lines. In this Mrs. Leonard of Pasadena won the first prize and the poem is to be kept for future reference. Altogether it was one of the prettiest and happiest of events in the P. E. O. year.

THE SCHOOL CENSUS.

The annual Grammar School census has been completed and shows a total of 448 children in the district between the ages of 5 and 17 years. In this census there are 247 families represented and of the children enumerated there are 247 boys and 201 girls. There are 168 children of both sexes in the district under the ages of five years. This only gives an increase of 19 in the number of children between the ages of 5 and 17 as compared with last year, which does not seem easy to reconcile with an increased enrollment of about fifty pupils. In addition to the city of Glendale the district comprises the territory east of Central avenue and south of Casa Verdugo and eastward, including Sycamore Canyon. At present eight teachers are employed and full justice cannot be done to the number of pupils that come under the care of every teacher. Voters should bear this fact in mind when on the 23d inst. they have to decide not only on a bond issue to build a new school house, but also on the question of levying a special tax for the care of the present building, and for general school purposes.

DEATH OF GEORGE T. BROWN.

Mr. George T. Brown, residing on Chestnut street, Lomita Park, died Friday of last week of heart trouble. Interment took place at Forest Lawn cemetery on Saturday. Mr. Brown had been afflicted for the past two years by the malady that caused his death, and has been a resident of Glendale during the most of that time. During his last illness he was cared for by the faithful wife, who survives him, assisted in many ways by nearby friends and neighbors. The floral tributes on the occasion of the funeral were very beautiful and in great profusion.

Mr. Brown was 72 years of age, a native of Ohio and came to Los Angeles in 1903. He was married in 1900 to Miss Melissa M. Crane, who survives him.

THE EAST SIDE RAILROAD.

The railroad committee, Messrs. Vesper, Barager and H. M. Overton, in connection with the promoters, Messrs. Goode and Blackburn, have been busy for the last ten days and have now secured all rights of way up to the eastern city limits of Glendale. Their effort to get the supervisors to allow the abandonment of the public road connecting Eagle Rock with Glendale, was blocked for a week by Highway Commissioner Daggett of Pasadena, who appeared before the county board and protested against such abandonment, alleging that the highway commission wanted that particular passage way for a part of a proposed grand highway that is to be built (voters assenting) from Redlands to the sea via Glendale. At the second hearing of the case, however, the proponents of the road were so thoroughly prepared on all points with deeds for right of way, tentative agreements, etc., that the supervisors granted them the privilege requested. The matter is now up to the property owners along Third street from the city limits westward to agree to the use of the street for the railway tracks. Many of them have agreed to give the required assent, but two or three still hold out. It is not probable, however, that they will long continue to object, as the promoters are willing to concede all reasonable conditions, such as putting tracks down to grade, etc. We hope our people will take hold of this project in the proper spirit and every one directly interested show a willingness to give something if necessary for the welfare of the entire community. The road cannot avoid being of immense benefit to us; perhaps not giving us everything we want in the beginning, but ultimately working out for us the results which we all fervently desire. Let it come. Boost!

NEW FIRM.

C. L. Chandler and J. W. Lawson have formed a partnership for dealing in real estate, and are located in the office heretofore occupied by Messrs. Suheimihl and Blanc, Fourth street near Brand Boulevard. Mr. Chandler is well known and Mr. Lawson is a comparative newcomer, a resident of Lomita Park, where he has built a pleasant home and is an enthusiastic believer in the future of Glendale. The new firm will not confine their attentions to any particular part of the valley or city, but go for business wherever they can find it, and will no doubt do their part in building up our section.

A NEW CHURCH.

Through the liberality of Mr. J. C. Lennox, a small mission church is being erected on Pacific avenue near Sixth street, in the Valley View tract. The building is of frame, 24x32 feet. The phenomenal growth of this section, where about 130 houses have been built within the last year and a half, makes it a very promising field. For the present services will be held under the auspices of the M. E. mission, the first service will be held there tomorrow as announced elsewhere.

WEST GLENDALE.

TROPICO

Mrs. W. H. Halleck visited in Pasadena the latter part of the week.

Mrs. James R. Maxwell, of Park avenue, spent Wednesday at Compton.

Burt Richardson, who has been spending several weeks in Chicago, returned Monday.

Miss Carrie Stewart of Martinsville, Illinois, is the guest of Mrs. Anna Imler Smith.

Mrs. Will O. Borthick and little daughter departed Tuesday on an extended visit to Mrs. Borthick's former home at Warrensburg, Missouri.

Alfred Engelhardt leaves the first of the week on an extended business trip to Portland, Oregon, Seattle, Washington, and Puget Sound.

The careful canvass of the Tropico school district gives a total of 318 pupils, between the ages of 5 and 17, showing an increase of 19 over last year.

The young people's club of the First Presbyterian church is preparing to give a box social in the church parlors Tuesday evening, to which the public is invited.

A. W. Collins, a prominent mining investor, returned Saturday from Rosemonde, where he spent the past fortnight looking after his extensive mining interests.

Mrs. William B. Pratt entertained the Woman's Foreign Missionary Society of the First Methodist-Episcopal church at her home on Glendale avenue, Tuesday afternoon.

Mr. and Mrs. A. L. Parshall accompanied by their daughter, Miss Leonora Parshall, of Los Angeles, were the guests at luncheon, Thursday, of Mrs. James R. Maxwell, of Park avenue.

A most interesting program is being arranged by the ladies having the afternoon affair in charge. A cordial invitation is extended to all to spend an hour or two with these hospitable ladies.

The Mission study class of the Woman's Missionary Society of the First Presbyterian church of Tropico held a pleasant session at the home of Mrs. F. C. Richardson, Monday afternoon.

The Woman's Missionary Society of the First Presbyterian church will give a missionary tea at the residence of Mrs. F. C. Richardson, corner of Central avenue and Cypress street, Wednesday afternoon.

Miss Freda Borthick, a popular teacher of the Tropico Grammar School, returned Monday morning from Santa Ana, where she spent Saturday and Sunday as the guest of Miss Bowen. A fifty-mile drive through Santiago Canyon was enjoyed by Miss Borthick.

Rev. A. W. McConnell, pastor of the First Presbyterian church of Tropico, announces as subjects for morning discourse, "Mother's Day," evening subject, "Lost and Found." It is urged that all members of the congregation, if convenient, wear a white carnation at the morning services.

The Tropico dance at Logan's hall, Friday evening, for the benefit of the Tropico Library building, was well attended and proved a most pleasant social diversion. Patronesses included Mrs. Charles A. Barker, Mrs. Charles L. Peckham, Mrs. Edward M. Lynch, Mrs. Burt Richardson, Mrs. E. J. Morgan, Mrs. Hal H. Davenport, Mrs. John H. Seaman.

CHARMING RECEPTION.

Members of N. P. Banks Post and N. P. Banks W. R. C. tendered Dr. J. O. Garman and Mrs. Charles L. Peckham a reception at G. A. R. hall, Tuesday evening, in compliment of the exalted offices to which they were elected and appointed, respectively, at Santa Ana, a few weeks since, during the department convention of the Post and Corps. Dr. Garman, who is adjutant of N. P. Banks Post, was elected council of administration. Mrs. Peckham was appointed chief of staff for Mrs. Alice M. Gillett, department president.

G. A. R. hall never looked prettier than it did Tuesday evening when it was so artistically decorated in flags and quantities of beautiful roses.

The tables were arranged in the form of a "T." A large bowl, overflowing with deep crimson roses, marked the intersection of the "T," and from this the roses were banked in three directions, terminating into long, graceful buds. The hospitality of the comrades of the Post and the ladies of the Corps was dispensed and enjoyed by a large company.

Mrs. B. F. Burlingham, Mrs. David H. Imler, Mrs. James R. Maxwell and Miss Cora Hickman represented the Post and Corps as hostesses for the occasion. Mrs. W. A. Hough, Mrs. E. B. Ellias and Mrs. Ira Tucker, assisted by Mrs. W. A. Pratt and Mrs. W. H. Halleck, presided at the tables. Six charming young girls in white frocks and dainty caps assisted the matrons in dispensing the repast.

Those thus assisting were Miss Lillian Ellias, Miss Lola Pratt, Miss Elise Vance, Miss Stella Miller, Miss Mable Evans-Hough and Miss Emily Ellias.

A short program, interspersed with national airs, added much to the evening's entertainment.

Plano selections, Mrs. M. R. Menzes; patriotic welcome, Rev. A. W. McConnell, pastor of the First Presbyterian church; song, Miss Mable Evans-Hough, accompanist, Miss Elise Vance; recitation, Marjorie Imler; piano solo, Hilda Engelhardt; talk Mrs. Mary Hartwell, of Los Angeles, past department president; reading Mrs. W. H. Halleck, chaplain of N. P. Banks Corps; address, Rev. J. H. Henry, pastor of the First Methodist-Episcopal church of Tropico and chaplain of N. P. Banks Post; solo Miss Flora Chandler. Misses Elise Vance, Mabel Evans-Hough, Lillian Ellias, Lola Pratt, Stella Miller and Emily Ellias, with Miss Myrtle Brown as accompanist, sang, "Marching Through Georgia." Dr. J. O. Garman and Mrs. Peckham each gave bright patriotic speeches, which fully demonstrated that the delegates to the department convention at Santa Ana, last March, who came from cities and towns throughout California and Nevada, made a wise and clever choice in the selection of this loyal veteran and noble, patriotic woman to represent them for the ensuing year.

COMRADES ATTENTION.

Headquarters N. P. Banks' Post, 170, Dept. California and Nevada, Tropico, Cal.

Comrades: The march of another year in the campaign of life is near its end. We should be profoundly thankful that none have fallen from our ranks during the year. The privileges and duties of Memorial Day are before us. While all persons should observe the day in an appropriate manner, surviving comrades should set an example worthy of imitation in that regard. It is hoped that all comrades will participate in all the exercises of the occasion so far as possible. To this end let aid be furnished the feeble and those who may lack transportation, for both the comrades and the widows of those who have gone before. Let us be prompt to the time-appointed and be vigilant and attentive that nothing may be lacking on our part to exemplify the fundamental principles of our order—Fraternity, Charity and Loyalty. I would suggest that the comrades cooperate with the citizens in their respective communities in securing ample transportation to convey the pupils of the public schools to the cemetery, that they may attend as schools.

ANNOUNCEMENT AT "QUINTA ANA."

Miss Ruth Yerger and Mr. Samuel E. Rummel, both of Los Angeles, could not have selected a more charming place in which to make formal announcement of their engagement than they did when they chose "Quinta Ana," the beautiful villa of Mrs. Anna Imler Smith, and Tuesday evening several automobile parties arrived at "Quinta Ana" from Los Angeles, to find this villa decorated in feathery ferns and fragrant roses. During the luncheon the guests were greeted with the formal announcement of the engagement of Miss Ruth Yerger and Mr. Samuel A. Rummel in a most cleverly planned manner by the vivacious hostess, Mrs. Anna Imler Smith.

Mrs. Smith was assisted in the entertainment of her guests by Miss Carrie Stewart, her house guest.

TROPICO LAD WINS HONORS.

Eugene H. Imler, the eleven-year-old son of Mr. and Mrs. David H. Imler of Park avenue, won the highest

honors to be conferred at the competitive military drill for boys at the California School for boys, in Los Angeles, of which school Eugene is a student. Eugene is one of the youngest lads enrolled at the California School.

POSTPONED.

Owing to the exercises attendant upon Memorial Sunday and the following Saturday, Decoration Day, the ladies of N. P. Banks W. R. C., have deemed it advisable for lack of time, to postpone "Mrs. Wiggs of the Cabbage Patch." A date will be announced later.

RESOLUTION OF INTENTION
NO. 149.

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE DECLARING ITS INTENTION TO IMPROVE LOUISE STREET FROM THE SOUTH LINE OF SECOND STREET TO THE NORTH LINE OF NINTH STREET.

The Board of Trustees of the City of Glendale do resolve as follows:

Section 1. That the public interest and convenience require and it is the intention of the Board of Trustees of the City of Glendale, State of California, to order the following street work to be done in said City, to-wit:

First. That, that portion of the roadway of Louise street in said City from the South line of Second street to the Northern line of Ninth street, including all intersections of streets (excepting such portions of said street and intersections as are required by law to be kept in order or repaired by any person or company having railroad tracks thereon) be graded and oiled in accordance with the plans and profiles on file in the office of the City Engineer, and Specifications for the construction of graded and oiled streets on file in the office of the City Clerk of the City of Glendale; said Specifications being numbered 7, except that instead of following that portion of said specifications contained on page 3, Subdivision 4, of said Specifications: "When the surface of the street has been thoroughly cultivated and prepared the first application of oil, consisting of one and one-fourth (1 1/4) gallons of oil per square yard of surface, shall be applied. This coat of oil shall then be thoroughly cultivated and incorporated into the four inches of loose surface soil. After a lapse of not less than twenty-four hours a second application of oil, consisting of three-fourths (3/4) of one gallon per square yard of surface, shall be applied. The second coat of oil shall be lightly harrowed into the surface in such a way as to retain this coat of oil upon the top for a wearing surface."

The following provisions are to be followed in lieu of said Specifications No. 7:

When the surface of the street has been thoroughly cultivated and prepared, the first application of oil, consisting of one and one-fourth (1 1/4) gallons of oil per square yard of surface, shall be applied. This coat of oil shall then be thoroughly cultivated and incorporated into the four inches of loose surface soil and said street is to be kept thoroughly moistened at all times during the application of oil herein mentioned. After a lapse of not less than twenty-four hours a second application of oil, consisting of one and one-fourth (1 1/4) gallons of oil per square yard of surface covered, shall be applied and thoroughly cultivated and incorporated into the four inches of loose surface soil and likewise kept moistened as in first application. After the second application of oil is applied, the street shall be rolled with a smooth roller weighing not less than five (5) tons, until the surface of the street is uniformly smooth and hard. After said street is so rolled a third application of one-half (1/2) gallon of oil per square yard of surface covered, containing not less than 80 per cent. of asphaltum, shall be applied to said street, as a surface covering, and a sufficient amount of clean sharp sand spread over the surface of the roadway sufficient to cover and absorb said oil and then the roadway shall be thoroughly dragged, sprinkled, rolled and compacted.

Second. That a cement curb be constructed along each line of the roadway of said Louise street from the South line of Second street to the North line of Ninth street including returns at all street intersections (excepting along such portions of the line of said roadway upon which a cement curb has already been constructed to the official line and grade) in accordance with the specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 2.

Third. That a cement sidewalk five (5) feet in width be constructed along each side of said Louise street from the South line of Second street to the North line of Ninth street (ex-

cepting such portions of said Louise street between said points along which a cement sidewalk four (4) feet or more in width has already been constructed to the official line and grade) said sidewalk to be constructed according to the specifications for cement sidewalks on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 1.

Section 2. That the Board of Trustees of the City of Glendale hereby finds upon estimates directed to be furnished and furnished by the City Engineer that the total cost of said improvement will be greater than fifty cents per front foot along each line of said street, including the cost of intersections, and it is hereby determined, in pursuance of an Act of the Legislature of the State of California, approved February 27, 1893, as amended by an Act of the Legislature amending said last named Act, which amending Act became a law March 2, 1899, that bonds shall be issued to represent the cost of said improvement. Said bonds shall be serial, extending over a period of ten years from their date, and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year after their date, until the whole are paid, and said bonds shall bear interest at the rate of seven per cent. per annum on all sums unpaid—payable semi-annually, by coupon, on the second days of January and July, respectively, of each year, until the whole of said principal and interest are paid.

Section 3. THE GLENDALE NEWS, a weekly newspaper of general circulation, published and circulated in the said City of Glendale, is hereby designated as the newspaper in which this Resolution of Intention, and notice of the passage thereof, shall be published in the manner and by the persons required by law.

Section 4. The Superintendent of Streets of said City is hereby directed to post notices of the passage of this Resolution in the manner and in the form required by law, and to cause a similar notice to be published by one insertion in said newspaper in the manner required by law.

Section 5. The City Clerk shall certify to the passage of this Resolution and shall cause the same to be published by two insertions in the manner required by law in said newspaper, and shall post the same conspicuously for two days on or near the Chamber door of the Board of Trustees.

Adopted and approved this 13th day of May, 1908.

VANDALISM.

Mrs. Mabel L. Hackman on her pleasant home, corner of Third and Glendale avenue, has many particularly attractive features and one of the latest additions to them is a cement basin which was until some time Wednesday night, stocked with pond lilies, gold fish and two white fish. That night, however, some miserable wretch, whose identity it is to be hoped will soon be discovered, drained the basin dry, destroyed the rare plants and carried away the gold fish with which it was stocked. The work was probably that of some vandal boys who infest our streets and who when caught, as they will be some time, should be treated to severe punishment.

RESOLUTION NO. 150

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE ORDERING CERTAIN WORK TO BE DONE ON A PORTION OF CEDAR STREET

The Board of Trustees of the City of Glendale do resolve as follows:

Section 1. That the street work herein described is required by the public interest and convenience, and the Board of Trustees of the City of Glendale, State of California, hereby orders the same to be done according to the specifications and plans adopted for said work, and under the direction and to the satisfaction of the superintendent of streets of said city, to-wit:

First. That that portion of the roadway of Cedar street from the southerly line of Third street to the northerly line of Fourth street, and from the southerly line of Fourth street to the northerly line of Fifth street, and from the southerly line of Fifth street to the northerly line of Sixth street (excepting such portion of said streets and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon) be graded and oiled in accordance with the plans and profiles on file in the office of the City Engineer of the City of Glendale, and specifications for the grading and oiling of streets on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 7, excepting that the first application of oil shall consist of two gallons of oil per square yard of surface covered and the second application of oil shall consist of one gallon of oil per square yard of surface covered.

Second. That a cement curb be constructed along each side of the roadway of said Cedar street from the southerly line of Third street to the northerly line of Fourth street and from the southerly line of Fourth street to the northerly line of Fifth street and from the southerly line of Fifth street to the northerly line of Sixth street, (excepting along such lines of said roadway along which a cement curb has already been constructed to the official line and grade) in accordance with the plans and profile on file in the office of the City Engineer of the City of Glendale, and specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 2, provided that said curbs shall be placed thirty-six (36) feet apart, each being placed eighteen (18) feet from the center line of said street.

Third. That a cement sidewalk five (5) feet in width be constructed along the westerly side of said Cedar street from the southerly line of Third street to the northerly line of Fourth street, and along the easterly line of said Cedar street from the southerly line of Fourth street to the northerly curb line of Fifth street, and along the westerly side of said Cedar street from the southerly curb line of Fifth street to the northerly line of Sixth street, (excepting such portions of said street along which a cement sidewalk five feet in width has already been constructed to the official line and grade) in accordance with the plans and profile on file in the office of the City Engineer of the City of Glendale, and specifications for the construction of cement sidewalks on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 1.

Sec. 2. THE GLENDALE NEWS, a weekly newspaper of general circulation, published and circulated in said City, is hereby designated as the newspaper in which this Resolution and Notice of said street work inviting sealed proposals, shall be published in the manner and form and by the persons required by law.

Sec. 3. The City Clerk of the City of Glendale is hereby directed to post conspicuously for five days on or near the Chamber door of the Board of Trustees, in the manner and form required by law, a notice with specifications inviting sealed proposals or bids for doing said work; and said City Clerk is hereby directed to publish for two days in said newspaper hereby designated for that purpose, as aforesaid, in the manner and in the form required by law, a Notice of said work inviting sealed proposals or bids for doing said work and referring to the specifications posted or on

file. Said Notice shall require a certified check or bond, either, as prescribed by law, and for an amount not less than ten per cent. of the aggregate of the proposals; said City Clerk is also hereby directed to publish this Resolution for two days in the manner required by law in said newspaper designated for that purpose, as aforesaid.

Adopted and approved, this 13th day of May, 1908.

WILMOT PARCHER,

President of the Board of Trustees of the City of Glendale.

Mr. A. Larson, 200 E. Franklin St., Minneapolis, Minn., last fall was given up to die by the city hospital, and ordered into the incurable ward. He desired to go to the State Tuberculosis Hospital at Walker, Minn., but could not, since incurables were not received. As a last resort his friends secured for him a "Lung Bath" in January of the present year. This opened up some very bad places in his lungs, and it being the office of the "Lung Bath" to clear these out, which it did, and now he is a comparatively well man, able to go to work. RESOLUTION OF INTENTION NO. 147.

A RESOLUTION OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE DECLARING ITS IN- TENTION TO IMPROVE A POR- TION OF BRAND BOULEVARD.

The Board of Trustees of the City of Glendale do resolve as follows:

Section 1. That the public interest and convenience require, and it is the intention of the Board of Trustees of the City of Glendale, State of California, to order the following street work to be done in said city, to-wit:

First: That, that portion of the roadway of Brand Boulevard from the Southern line of Fifth street to the Southern city boundary line of the City of Glendale, including all intersections of streets (excepting such portion of said street and intersections as are required by law to be kept in order or repair by any person or company having railroad tracks thereon) be graded, tamped and oiled in accordance with the plans and profiles on file in the office of the City Engineer, and Specifications for the grading and oiling and tamping of streets on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 9, except that instead of following that portion of said Specifications contained on page 2 of said Specifications under the heading of constructing gutter, sprinkling and oiling, which reads as follows: "The roadway shall be coated evenly with the oil at the rate of three gallons per square yard of surface covered. This shall be thoroughly cultivated in until the oil is well mixed with the soil to a depth of five (5) inches. The roadway shall then be tamped with a tamping roller until the bottom two and one-half (2½) inches are solid. The roadway shall then be recrowned with a road grader, again thoroughly sprinkled with water until the top two and one-half (2½) inches are evenly impregnated. The second coat of oil, amounting to one gallon per square yard of surface covered, shall then be applied and cultivated in as aforesaid, to a depth of two and one-half (2½) inches. Then the roadway shall again be tamped with a tamping roller until the entire surface of the roadway is uniformly hard, and smooth and without undulations or irregularities in the surface. After said tamping there shall be applied a third coat of oil amounting to one-half gallon per square yard of surface covered."

The following provisions are to be followed in lieu of said specifications No. 9:

The roadway shall be coated evenly with the oil at the rate of three (3) gallons per square yard of surface covered, which shall be applied in the following manner:

First, an application of one gallon of oil per square yard of surface covered, this shall be thoroughly cultivated in until the oil is well mixed with the soil to a depth of five inches and the roadway shall at all times, during said application herein described, be kept thoroughly moistened with water. After the first application of oil has been thoroughly worked in, a second application of one gallon of oil per square yard of surface covered shall be applied and worked in in the same manner as said first application, followed by a similar third application of oil of the same quantity which shall be worked into the roadway in the same manner as said first and second application. Then the roadway shall be tamped with a tamping roller until the entire surface of the roadway is uniformly hard and smooth and without undulations or irregularities in the surface. After said tamping there shall be applied a fourth coat of oil amounting to one-half (½) gallon per square yard of surface covered.

Except that on page 2, subdivision 4, under the heading "Oil," instead of the following provision "Natural Oil: The oil used shall be untreated, crude oil and shall not have been treated to remove water, sediment, or volatile materials." The following provision regarding the oil to be used shall be adopted: The oil used shall be crude petroleum.

Second: That from the South line of Fifth street to the North line of Sixth street a cement curb shall be constructed along the East Side of

the East roadway of said Brand Boulevard, including returns at all street intersections, fifteen feet from the easterly line of Brand Boulevard line and fifty feet from the center line of the right of way of the Los Angeles Interurban Railway and that from the South line of Fifth street to the North line of Sixth street a cement curb shall be constructed along the West Side of the West roadway of said Brand Boulevard, including returns at all street intersections, fifteen feet from the West line of said Brand Boulevard. Also that from the South line of Sixth street to the Southern boundary line of the City of Glendale, a cement curb shall be constructed along the East Side of the East roadway of said Brand Boulevard, including returns at all street intersections, forty-nine feet westerly and parallel with the center line of the right of way of the Los Angeles Interurban Railway, and that from the South line of Sixth street to the Southern boundary line of the City of Glendale a cement curb shall be constructed along the West Side of the West roadway, including returns at all street intersections, forty-nine (49) feet westerly and parallel with the center line of the right of way of the Los Angeles Interurban Railway, (excepting all such portions of the lines of said roadway upon which a cement curb has already been constructed on the official line and grade) in accordance with the Specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said Specifications being numbered 2. Said curbs shall be curved on the specified radius to meet the curb lines of all intersecting streets as tangents.

The term East Roadway herein mentioned refers to that portion of Brand Boulevard lying between the East line of the right of way of the Los Angeles Interurban Railway and the East line of Brand Boulevard.

The term West Roadway herein mentioned refers to that portion of Brand Boulevard lying between the West line of the right of way of the Los Angeles Interurban Railway and the West line of Brand Boulevard.

Third: That a cement curb be constructed upon said Brand Boulevard along both sides of the right of way of the Los Angeles Interurban Railway, twenty-one (21) feet from and parallel with the center line of said right of way, except along such portions of said right of way as are intercepted by the prolongation across said right of way of the curb lines of all intersecting streets. Said above mentioned cement curb shall be constructed in accordance with the specifications for the construction of cement curbs on file in the office of the City Clerk of the City of Glendale, said specifications being numbered 2. Section 2. That the Board of Trustees of the City of Glendale hereby finds, upon estimates directed to be furnished and furnished by the City Engineer, that the total cost of said improvements will be greater than fifty cents per front foot along each side of said street, including the cost of intersections, and it is hereby determined in pursuance of an Act of the Legislature of the State of California, approved February 28, 1893, as amended by an Act of the Legislature of the State of California, amending said last named act, which amending Act became a law March 2, 1899, that bonds shall be issued to represent the cost of said improvements; said bonds shall be serial, extending over a period of ten years and an even proportion of the principal sum of such bonds shall be payable annually by coupon, on the second day of January of each year after their date, until the whole are paid, and said bonds shall bear interest at the rate of seven (7) per cent. per annum on all bonds unpaid; payable semi-annually by coupons, on the second days of January and July of each year.

Section 3. THE GLENDALE NEWS, a weekly newspaper of general circulation, published and circulated in said City of Glendale, is hereby designated as the newspaper in which this Resolution of Intention and notice of the passage thereof, shall be published in the manner and by the persons required by law.

Section 4. The Superintendent of Streets of said City is hereby directed to post notices of the passage of this

Resolution in the manner and in the form required by law, and to cause a similar notice to be published by one insertion in said newspaper in the manner required by law.

Section 5. The City Clerk shall certify to the passage of this Resolution and shall cause the same to be published by two insertions in the manner required by law in said newspaper, and shall post the same conspicuously for two days on or near the Chamber door of the Board of Trustees.

Adopted and approved this 13th day of May, 1908:

WINS SUIT.

Mr. L. F. Hadrich returned to Glendale Wednesday after attendance in court in San Bernardino. Mr. Hadrich and his brother-in-law, Mr. David Barabe, are the owners of a ten-acre orange orchard in San Bernardino which has been in litigation for the past four years; the decision of the court just given is in their favor and they are naturally pleased at the outcome.

While absent Mr. Hadrich learned by means of long distance telephone that a little daughter had arrived at his home.

MR. E. T. BYRAM'S CONDITION.

Mr. Byram suffered an attack of paralysis last Sunday which deprived him of the use of the left side, affecting the organs of speech so that for a while he had no means of making his wants known. He has partially rallied, however, and can speak, although very indistinctly. Many friends from Los Angeles and other outside points have been out to see him and the large circle of his friends in the vicinity of his home are anxiously watching his condition.

REUNION OF NEW YORKERS.

Former residents of New York State, now making their home in Southern California, have arranged for a big social reunion at Eastlake Park, Los Angeles, on Saturday, May 16. The New York State society has charge of the arrangements and invites all New Yorkers to bring their baskets and picnic with their "back east" neighbors. Indications are that there will be a big attendance.

FESTIVAL OF THE ARROWHEAD.

We are in receipt of invitations to attend this festival to be given at San Bernardino May 19th to 23d inclusive. The program is an attractive one, comprising floral parades, chariot races, firemen's tournament, carnival ball, etc. The affair promises to prove a great attraction to tourists and others and will no doubt be a success.
